WALL CABINET CABLE TRAY KIT 200mmx200mm - 2 pack

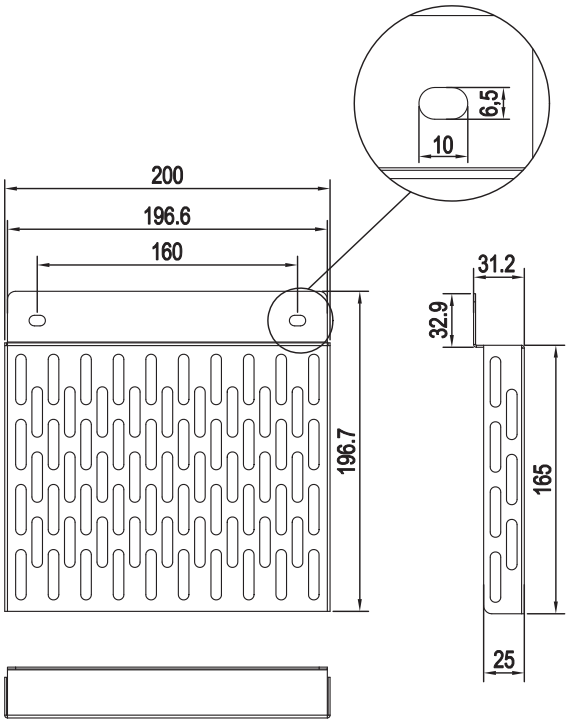

DESCRIPTION

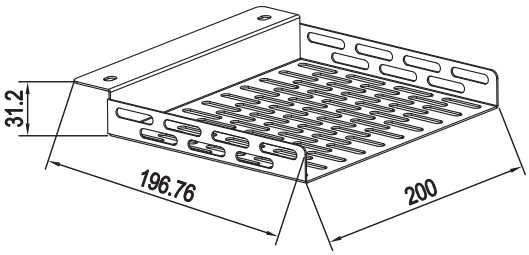

The SHARKRACK Wall Cabinet Cable Tray Kit is designed specifically to provide Cable tray management that fits seemlesly within the SHARKRACK Wall Cabinet range, providing ample space for organising and routing cables.

SPECIFICATION

- Manufactured using cold rolled steel.
- Each cable tray measures 200mm x 200mm (7.87 inches x 7.87 inches).
- Includes a set of two cable trays in each kit.
- Designed for easy installation onto the interior walls of wall-mounted cabinets.
- Featuring pre-drilled mounting holes for quick and secure attachment using standard hardware.
- Open mesh design allows for efficient routing and organization of cables, minimizing clutter and tangling within the cabinet.
