

Wall Mount Frames

DESCRIPTION

Sharkcrack™ Wall Frames are designed for when only minimal networking and telecommunications equipment is required. Providing the most simplistic solution to mounting network equipment in residential or commercial installations.

SPECIFICATIONS

- 19-inch mounting width suitable for most networking equipment.
- Body and frame fabricated from cold rolled steel.
- Matte black powder-coated finish.
- Conforms to industry standard ANSI/EIA-310-D and IEC 60297-3 mounting configuration.
